

Adult Sailing & Kayaking

CBC is the only Rhode Island program north of Newport that offers the general public boating lessons and access to boats for recreational sailing and paddling. Members can use sailboats or kayaks on evenings and weekends for a very affordable seasonal fee. An active boating program at India Point Park also adds to the quality of city life and helps advance Providence's image as a waterfront city. Learn more: 401-454-SAIL (7245) or www.communityboating.com
