

# Youth Sailing Camp

We use kid-sized boats, fun games, and lots of encouragement in a progression from basic instruction to more refined sailing skills. The underlying approach in all activities is to ensure that students enjoy both the challenge and fun of sailing & boating and to instill the principals of sportsmanship, leadership, and self-reliance in all of our youth. Learn more: 401-454-SAIL (7245) or [www.communityboating.com](http://www.communityboating.com)

## Join KidSail or TeenSail

Grouped By Age  
Choose KidSail (age 8-11) or TeenSail (age 12-15)

Two-Week Sessions  
2-week camps meet M-F, 9:00 am - 3:30 pm (starting end of June)

Individual Skills Evaluation  
CBC instructors evaluate each child's skill level for proper boat placement

## Swimming

Proof of swimming required. Lifeguard letter or certificate (50 yards)

## Instructors

Our Head Instructors are US Sailing certified to ensure safety, learning, and fun!

## Skill Levels

Each child is evaluated and rewarded with a color level from "green" beginner to "red" racer

## Scholarship

Needs-based "Sailorships" for reduced tuition may be offered to qualified youth to ensure affordability

## Diversity

Boys & girls from different backgrounds, neighborhoods, and schools sail together

## Our Boats

Our fleet consists of a broad range of boats designed to make sailing & boating fun and challenging. CBC instructors evaluate skills, experience, size, and agility in determining which boat is most appropriate for your child. (14' Hunter 140, RS Quest, Laser Pico, Hobie Wave, sit-on-top kayaks)

## PFD Provided

Personal Flotation Devices (lifejackets) provided for use

## Safety

Rating system sets wind limits for your child's skill level

## STEM

Science, Technology, Engineering, Math rainy-day activities

## Sustainability

We explore how environmental choices affect impact on the sea
