The mission of Community Boating Center (CBC) is to provide instruction and access to recreational sailing and boating for all, with an emphasis on children, without regard to financial station. We do so by providing programs to build self-esteem, broaden horizons, and advance environmental awareness. CBC nurtures a true sense of community in which the diversity of the urban environment is respected and encouraged.

CBC, at Providence's India Point Park, opened in June 1994 with a few boats, docks, and storage shed built with donated materials and volunteer labor. Today, our new boathouse, over 60 boats, and successful programs, position CBC as an integral component to the success and growth of Providence. CBC is a 501(c)3 non-profit organization offering community outreach, sailing lessons, and affordable access to boats for recreational sailing and paddling to the general public. Upon lesson completion or checkout test, adult members can use any of our 60 plus boats during recreational sailing hours.

Each year, a variety of diverse youth experience our outreach programs. CBC offers a variety of youth and adult lessons that allow anyone to experience the fun, excitement, and challenge of sailing on Narragansett Bay.

With your help, our Renaissance Regatta fundraiser makes it all possible. Please help expand our network with your personal contacts. Thank you!

Sincerely,

John O'Flaherty
Executive Director
